

Practice Exercises

Name: _____ Date: _____

"Respect Others on the Playground"

The WonderGrove Kids are waiting in line for the slide. Using the picture and the blank graph below, fill in each row based on the question. Each row corresponds to a question number.

1. How many students are in line for the slide? 6
2. How many people are in line ahead of Peter? _____
3. How many people are ahead of Maria? _____
4. How many boys are in line? _____
5. How many girls are in line? _____
6. If Maria and Luci leave the line and go to the swings instead, how many people will be ahead of Peter? _____
7. Eric went down the slide six times. Maria went down four times. How many times did they slide in all? _____
8. Peter went down the slide twice. Dee went down the slide three times. Devon went down once. How many times did they slide in all? _____
9. Subtract the answer from question 1 from the answer from question 7. What number do you get? _____
10. How many more people are behind Dee than are behind Eric?
