

RESPECT

MAKE YOUR OWN BUMPER STICKER

K.L.2: Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.

Have students make their own, custom bumper stickers about respect that they can display and share with everyone!

Materials Needed:

- Sticky paper
- "Respect" template
- Crayons, markers, or colored pencils
- Scissors
- Printer

Preparation:

- Gather the needed materials in an appropriate area.
- Print out the "Respect" template on sheets of sticky paper and cut them out to be the designated bumper sticker size.

Steps to Success:

1. Pass out a "Respect" bumper sticker to each student.
2. Write some or all of the following phrases on the whiteboard for the students to see:
 - Be kind to others.
 - Care for others.
 - Share your toys.
 - Use kind words.
 - Respect everyone and respect yourself.
3. Go over these phrases with the students. Ask students what they think the phrases mean.
4. Have students pick one of these phrases to write in the blank space on the bumper sticker. They can also make up their own phrase about respect if they want.
5. Allow students to decorate their bumper stickers with crayons, markers, or colored pencils.

"Respect Others on the Playground"

RESPECT
