Name: _____ Date: _____

"Stay Seated on a Bus"

The WonderGrove Kids are on the way to school. Along the way, they're counting road signs. Can you help them out?

1. How many signs are there in all? _____
2. Which sign appears more often? _____
3. Which sign is there less of? _____
4. How many more "ONE WAY" signs do you have than "STOP" signs? _____
5. If you add up the number of "DO NOT ENTER" signs with "YIELD" signs, how many do you have in all? _____
