

Common Core Standards

Lesson Plan:

- **K.RI.2:** With prompting and support, identify the main topic and retell key details of a text.

Print Concepts and Fluency:

- **K.RF.1a:** Follow words from left to right, top to bottom, and page-by-page.
- **K.RF.1b:** Recognize that spoken words are represented in written language by specific sequences of letters.
- **K.RF.1c:** Understand that words are separated by spaces in print.
- **K.RF.4:** Read emergent-reader texts with purpose and understanding.

Practice Exercises:

- **K.L.1a:** Print many upper and lowercase letters.
- **K.CC.3:** Write numbers from 0-20. Represent a number of objects with a written numeral 0-20.

Active Learning:

- **K.L.5c:** Identify real-life connections between words and their use (e.g., note places at school that are colorful).

Printable Book:

- **K.RF.1a:** Follow words from left to right, top to bottom, and page-by-page.
- **K.RF.1b:** Recognize that spoken words are represented in written language by specific sequences of letters.
- **K.RF.1c:** Understand that words are separated by spaces in print.

Common Core Lesson Plan

"A Visit to the Doctor is Good"

Grade: K

Common Core Standards:

- **K.RI.2:** With prompting and support, identify the main topic and retell key details of a text.

Materials Needed:

- "A Visit to the Doctor is Good" video episode, computer, Wi-Fi connection, "Picture Organizer," scissors, glue

Preparation:

- Familiarize yourself with the lesson, video, and the related fluency passage.
- Gather the needed materials in an appropriate area.

Breaking it Down:

- Watch the video, "A Visit to the Doctor is Good."
- Use the fluency passage to reinforce the lesson theme and goals.
- Complete the lesson.

Lesson:

1. After watching the video lesson, instruct the students to cut out the pictures from the "Picture Organizer" page.
2. Tell the students that they are going to identify the main idea and the details of the video. Explain that the main idea is the "BIG" idea that the story or video is MOSTLY about.
3. Discuss each picture with the class. Ask them if the picture represents the main idea of the video, or it represents a detail in the video.
4. Guide the students through each picture.
5. Have students glue the pictures onto the "Picture Organizer" in the appropriate boxes.

Common Core Lesson Plan

"A Visit to the Doctor is Good"

Grade: K

Open Dialogue:

- Have students share their experiences visiting the doctor.
- Discuss why visiting the doctor is a good thing, even though it can seem scary at times.
- Discuss the different types of doctors people can visit.
- Discuss things kids can do to make visiting the doctor less scary and more fun.

Capping it Off:

- Have students complete the practice math and language exercises.
- Have students color the associated coloring pages. Display within the classroom or have the students take them home to share with their families.
- Have students complete the active learning project.
- Encourage students to refer back to the printable book and fluency passage as needed.
- Reinforce the lesson throughout the year by using reminders and reviewing the episode.
