"A Visit to the Doctor is Good"

A doctor's job is to keep us healthy. Doctors use a lot of different tools. Can you help Maria figure out what her doctor's tools are used for? Fill in the blanks below.

The doctor uses this to look in your _____

ears

The doctor uses this to listen to your _____

heart

The doctor uses this to check your _____

pulse

The doctor uses this to check your _____

temperature

Write a sentence below about a time you went to the doctor.
